Dear Parents:

July 22, 2021

Throughout the school year we take photos of our students as they participate in various activities. Sonshine advertises online through our website and on Facebook. We would like to ask your permission to allow us to post/publish photos of your child on those sites for promotional purposes. If you are willing to grant permission for us to include photographs of your child on those two sites, please sign the bottom part of this letter. You can also decline if you prefer not have your child's photograph posted/published.

Thank you for your ongoing support of Sonshine. We know that you are our best source of advertisement!

Sincerely,

Donisia DeCicco  
Director
